Biden Orders Broad Supply-Chain Review Amid Chip Shortages

The president signed an executive order with the aim of eventually increasing domestic production of critical materials

'We need to stop playing catch-up,' Mr. Biden said Wednesday, at one point holding up a semiconductor.

Biden confronts China's Xi in first call

The new administration staked out a hard line on human rights and coercive trade practices, while opening the door for collaboration on climate and Covid-19.

Chinese President Xi Jinping, right, shakes hands with then-Vice President Joe Biden at the Great Hall of the People in Beijing on Dec. 4, 2013. | Lintao Zhang/AP Photo
